## ☐ **What is a Family PACT Regional Forum?**

Your town hall meeting for Family PACT providers and staff to have an open dialogue with other Family PACT providers and Office of Family Planning leadership about various news, issues and local concerns.

## ☐ **Things to think about before you attend the Forum:**

<i>Are you able to provide all methods of contraception including Lunelle &amp; Mirena?</i>	<i>Are you aware that the Patch &amp; Ring have been added to the Family PACT formulary?</i>	<i>Is staff using the need for "Confidentiality" appropriately as an eligibility criteria?</i>
<i>Is staff requesting Social Security Numbers from your Family PACT clients?</i>	<i>Are you able to annually screen all of your clients under 25 for Chlamydia?</i>	<i>Have you been able to establish referral processes for screening mammograms and to the Breast &amp; Cervical Cancer Treatment Program?</i>
<i>Have you been able to locate pharmacies in your community that stock "Plan B"?</i>	<i>Are you comfortable with providing Family PACT services to adolescents and males?</i>	<i>Are you aware of potential problems with "lab panels" for Family PACT?</i>

***Come share your thoughts, challenges, and solutions with other Family PACT providers and OFP representatives.***
